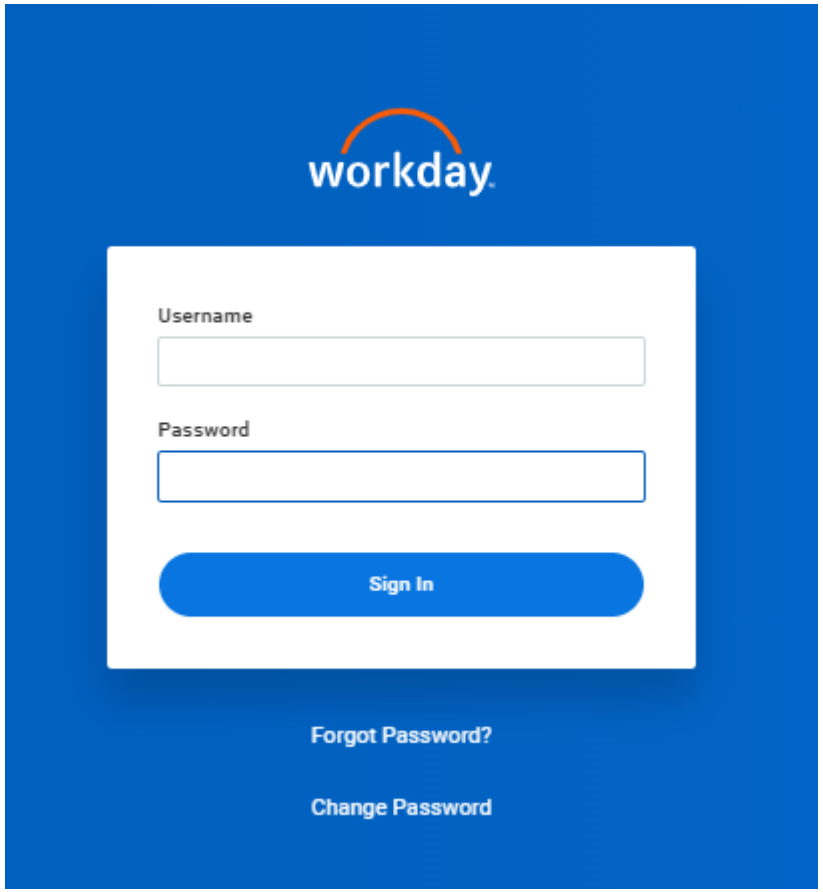
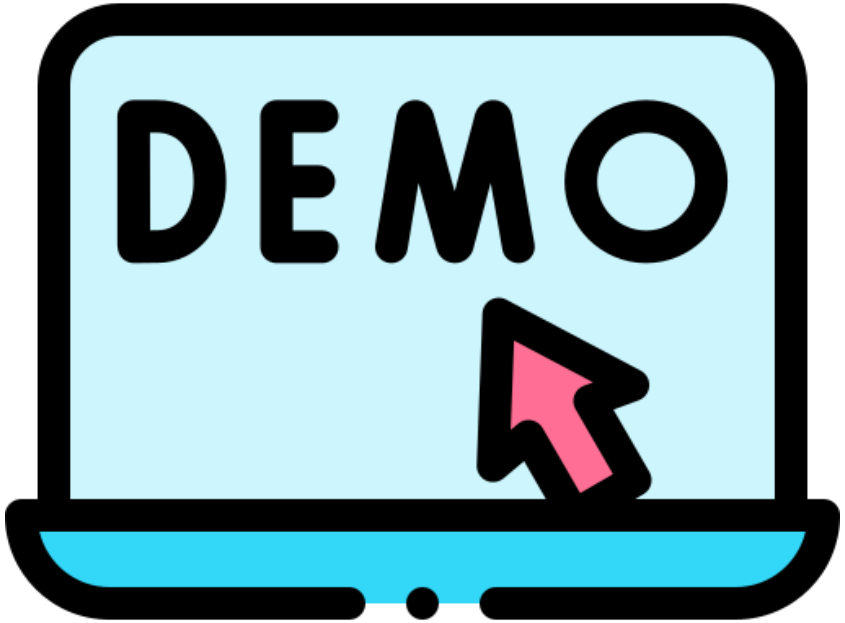
2. Be sure to save the email and follow the instructions to login to Workday.



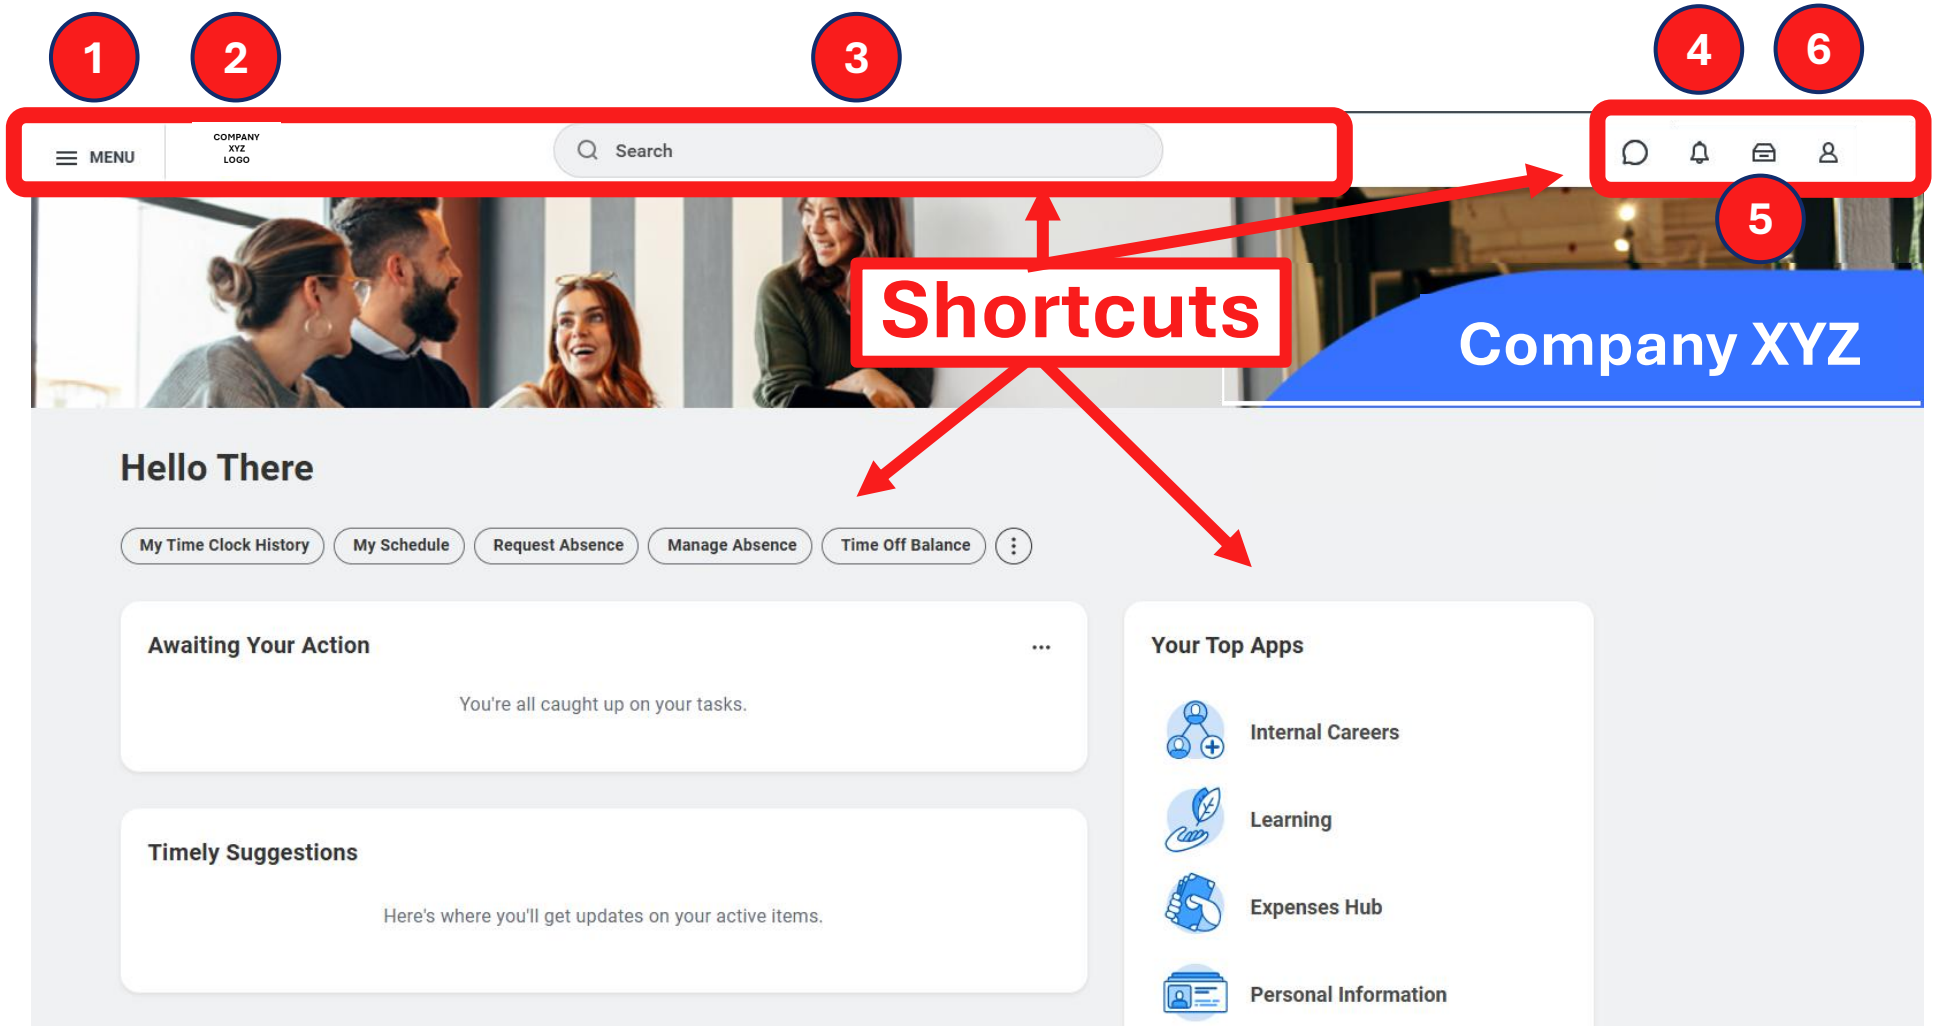
Workday Demonstration



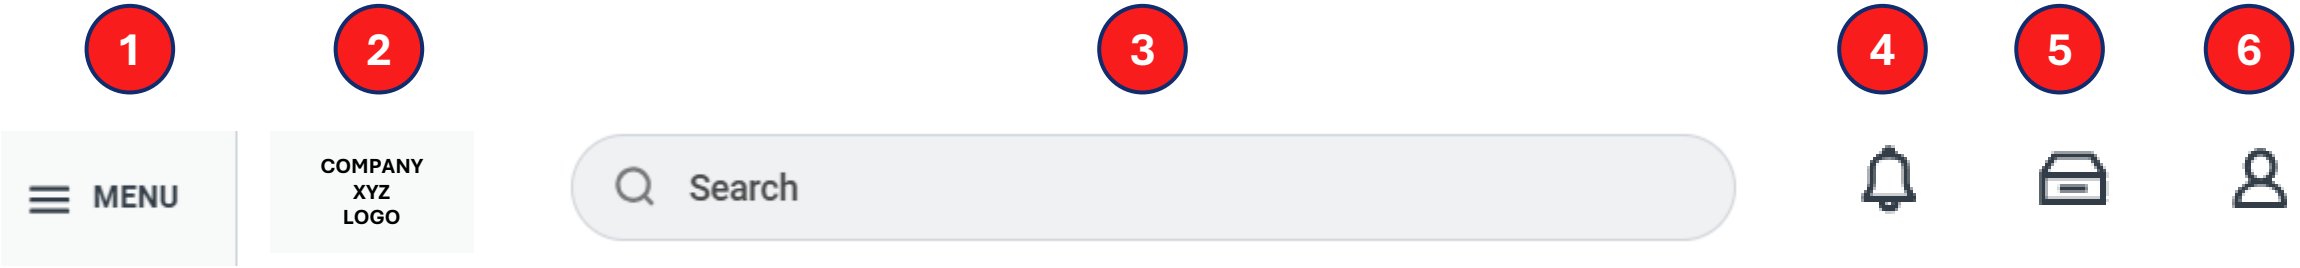
Where do I start?

- Understanding the Workday home page
- View your Profile
- View Org Chart

Workday home page



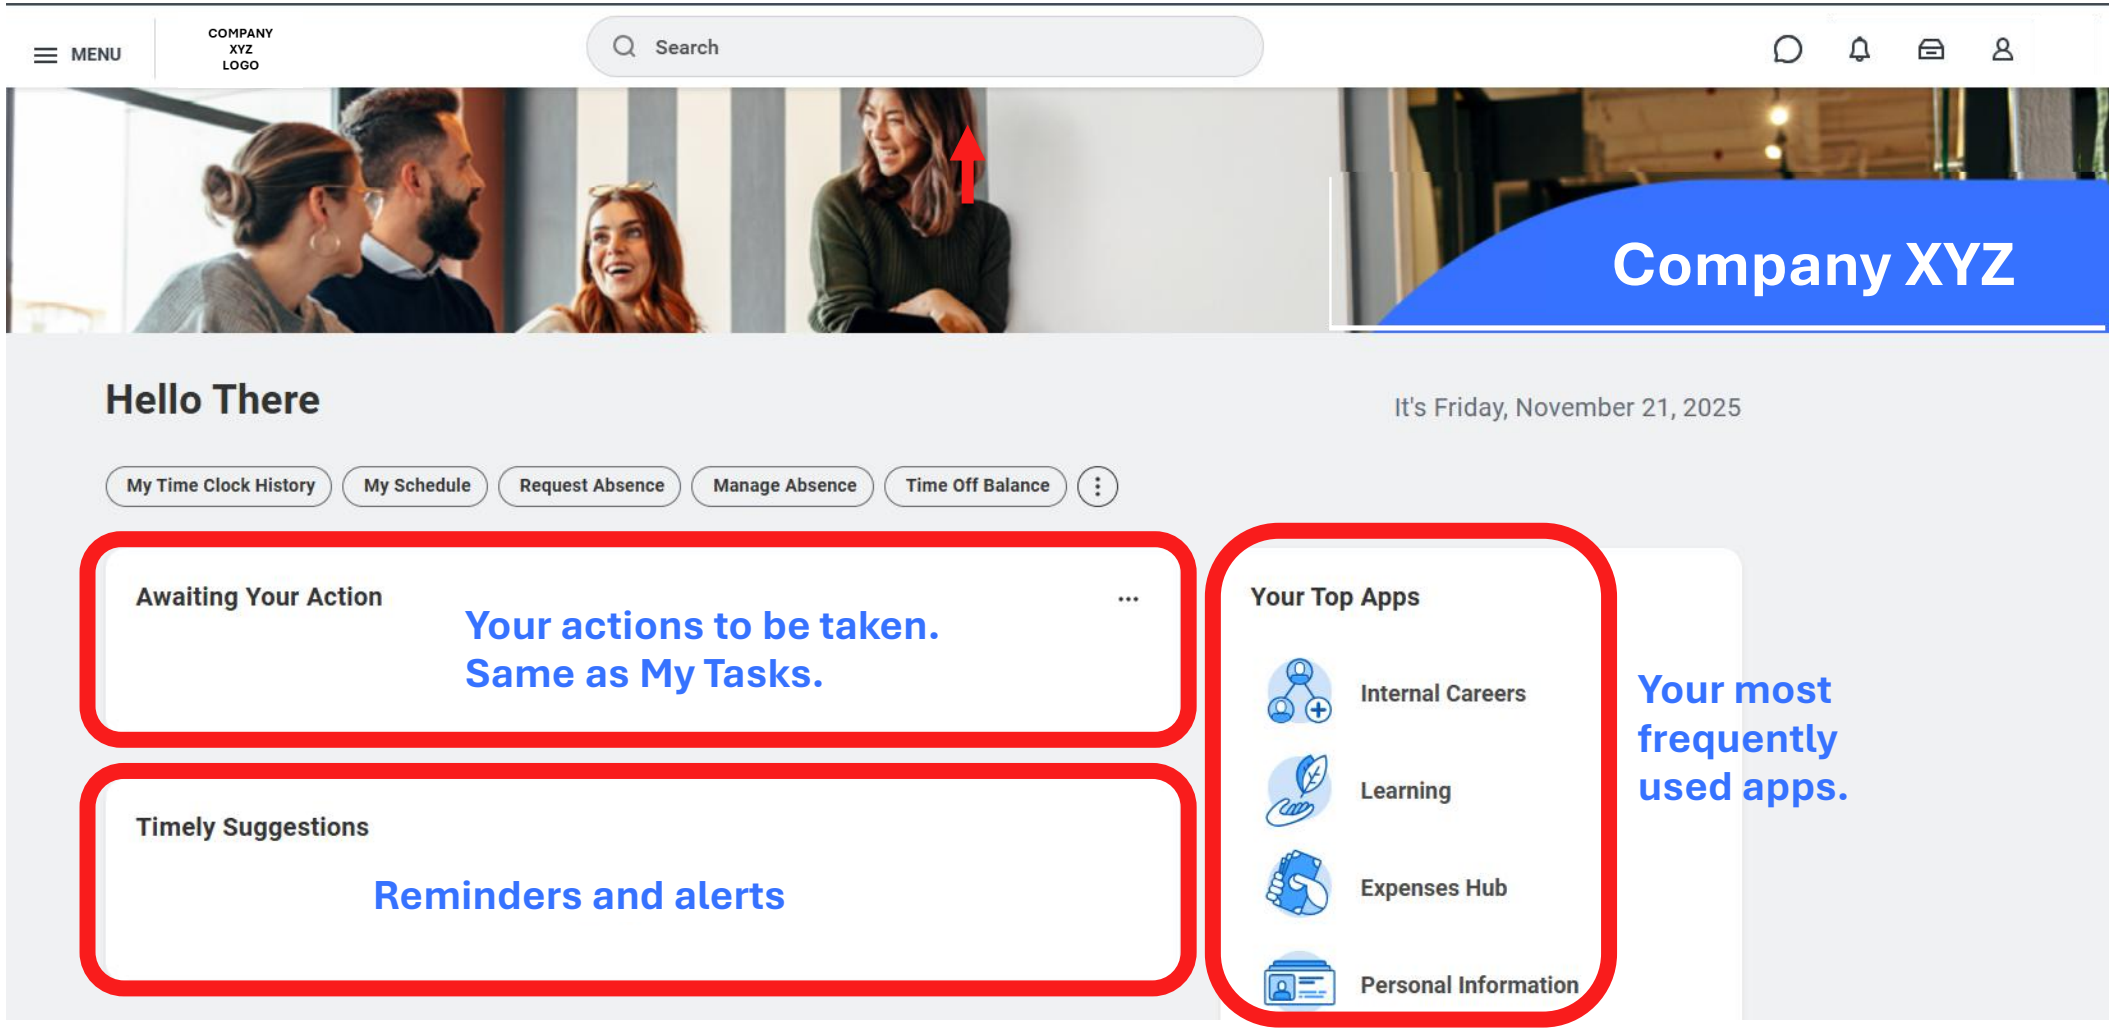
Workday home page – menu bar



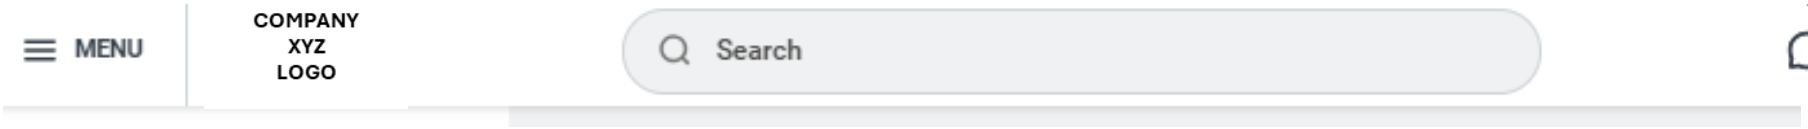
1	**Menu**	List of the full set of Workday topics available to you.
2	**Logo – Home**	Click on the company icon from any page to return to the home screen.
3	**Search**	Enter text to search for anything within Workday

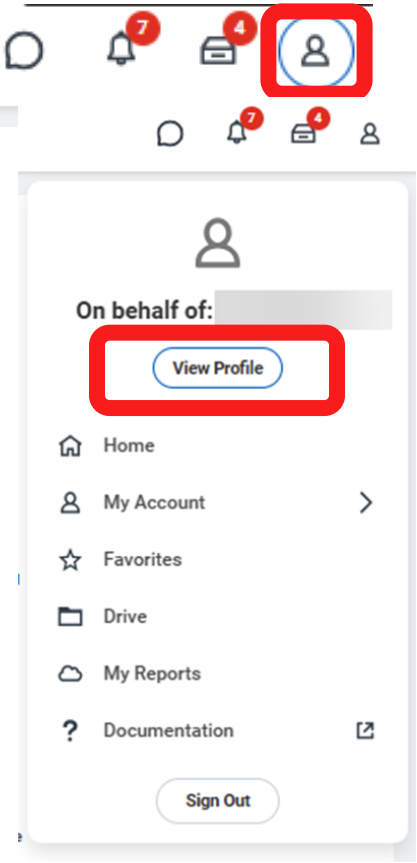
4	**Notifications**	Informational items for awareness but not tasks you must complete.
5	**My Tasks**	Your inbox with your To Do list.
6	**Your Profile**	Click here to view and update your own information

Workday home page



View your profile





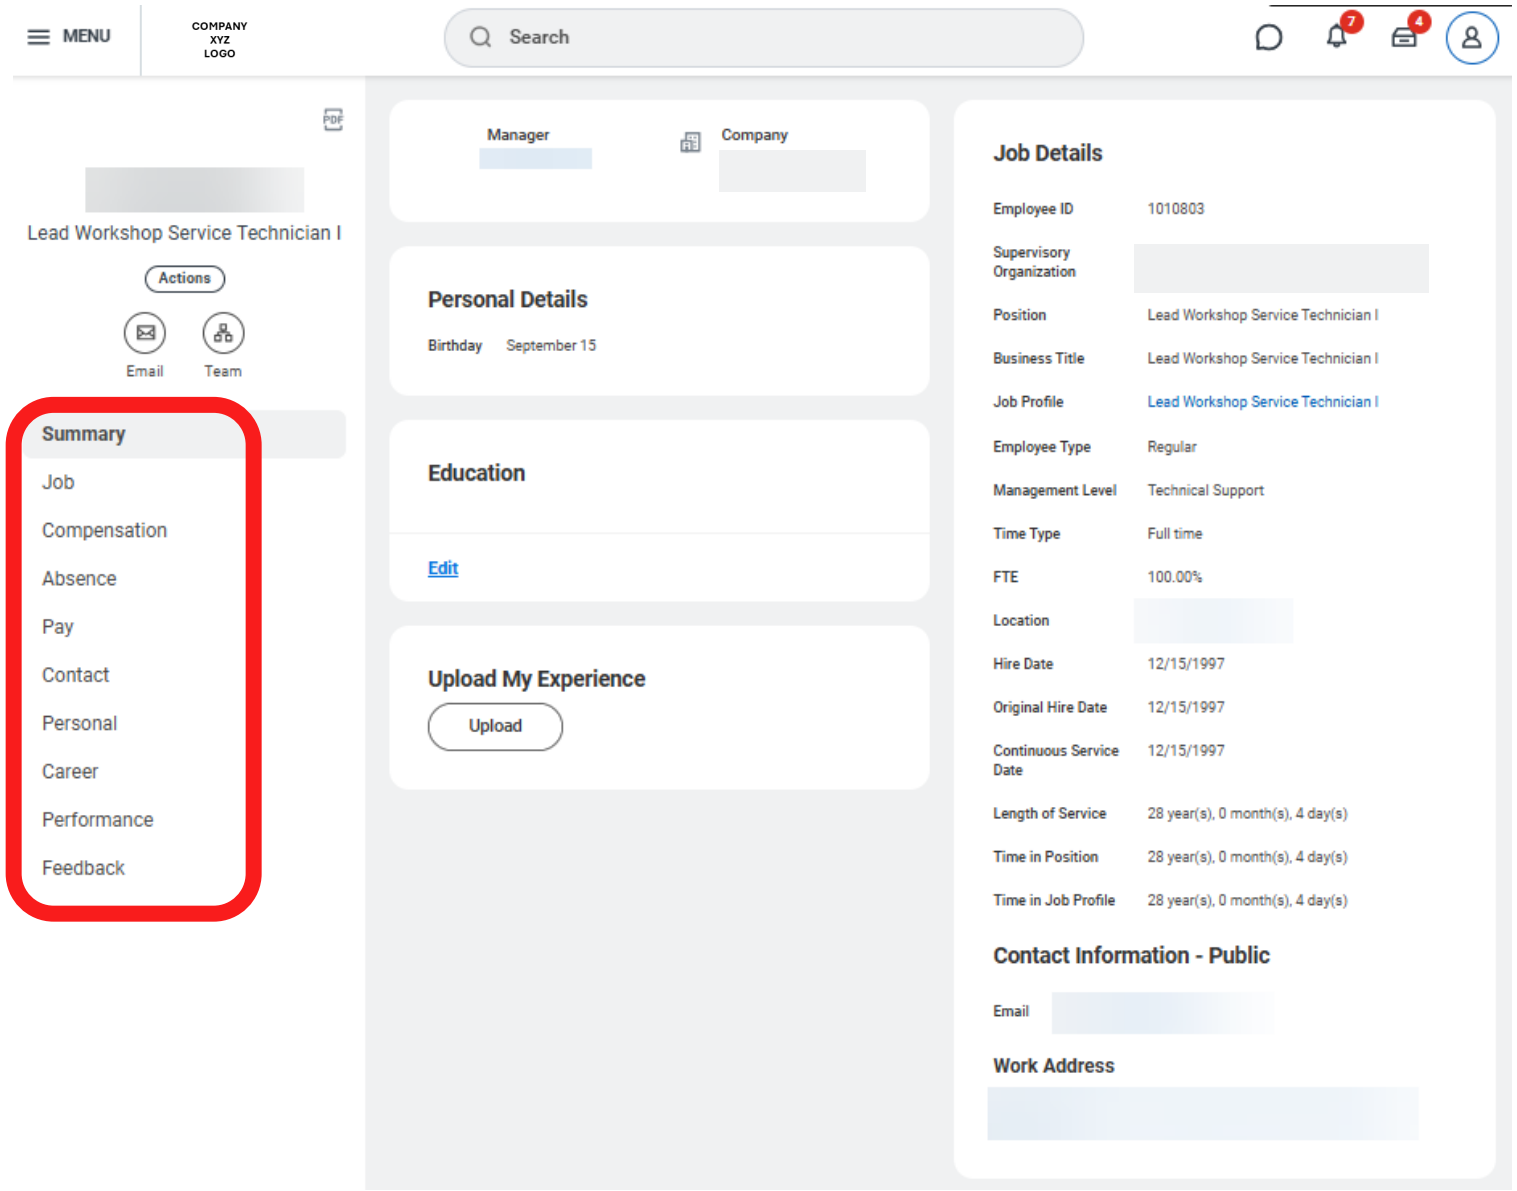
- The **Worker Profile** in Workday is the central place where employees can quickly view and manage key people information.
- From one screen, you can see job details, contact information, recent payslips, your team members, and other and related content.
- The navigation and screens are designed to make it easy to find accurate information and complete HR tasks without navigating multiple systems.

View your profile

The headings on the left of the page allow you to access different subjects.

Recommended Actions:

- Review your **Job** (Position) and work email address
- **Contact -** Confirm **Contact** Information *(Home address, phone number)*
- **Personal**: Verify National ID



View organization chart

Org Chart in Workday gives managers and employees a clear, visual view of the organization.

It shows reporting relationships, roles, and team structure in one place.

You can access the Org Chart by selecting **View Profile** for yourself or a team member, then choosing **Team** to explore reporting lines and navigate across teams.
